Declaration of compliance for EU-regulation 1935/2004/EU

Abena article number	1000013571-75 and 1000013577 Polyester Gloves , Powder Free, White.
Declaration of conformity	By declaration of conformity the manufacturer has guaranteed that the raw materials used for mentioned products are always of the same kind. Furthermore, the manufacturer guarantees that changes in raw materials and production methods will be informed to ABENA in due time before these changes come into force to enable the necessary tests according to 1935/2004/EU and 10/2011/EU to be carried out.
Migration tests	Total overall migration test is conducted according to 10/2011/EU. Test conditions: 2 hours at 70°C. Test Simulants: Acetic acid 3%, ethanol 10% and 20%. Test conditions for fatty foods D2 simulants: 30 min. at 40°C for Iso-octane and 2 hours at 60°C for 95% ethanol The products comply with migration limit for 60 mg/kg/10 mg/dm ² .
Heavy Metal	The specific migration are according to EU 10/2011.
Traceability	The products are labelled to enable a quick sorting and withdrawal. The traceability is adjusted to each product within raw materials, inner and outer packaging.
Migration test for surface and volume area	10 dm ²
Dual-Use	The product do not contain any dual-use additives
Good manufacturing practice (GMP)	The production facilities for the above-mentioned products comply with the regulations for good manufacturing practice (GMP) directive 2023/2006/EU.
Conclusion	We guarantee with this statement that the above-mentioned products comply with the Danish declaration no. 681 and the EU regulations 1935/2004/EU and 2023/2006/EU, provided that the product are recommend for use as intended: - for food at temperatures up to 40°C in 2 hours, except fatty foods the condition shouldn't extend 30 min. at 40 degrees.
