

All purpose cleaner

Description

Suma Multi free D2 is a concentrated all purpose detergent for cleaning of hard surfaces in food premises, including floors, walls, doors, ceilings and general equipment.

Key properties

Suma Multi free D2 is a mild alkaline liquid detergent suitable for manual cleaning of all surfaces in the kitchen. It is very effective for removal of grease and dried-on food. The sequestrant in the formulation makes it suitable for all water conditions and does support cleaning performance.

Benefits

- Highly concentrated formulation gives economy in use
- Cuts through grease and dried-on food soiling leaving sparkling clean surface
- Effective in all water conditions
- Multi purpose and suitable for use on most surfaces including aluminium and other soft metals

Use instructions

Spray cleaning:

1. Use at a concentration of 3ml* to 750 ml (0,4%) of water into a spray bottle.
2. Spray surface with solution and clean with damp cloth.
3. Rinse food contact surfaces with clean water and allow to air dry.

General cleaning:

1. Use at a concentration of 4ml/l* of hand warm water.
2. Clean surfaces using cloth, brush or mop system.
3. Rinse food contact surfaces with clean water and allow to air dry.

Foam cleaning:

1. Follow the general instructions on the foam equipment as used.
2. Use at a concentration of 4ml/l* of hand warm water.
3. Apply an even layer of foam on the surface.
4. Leave for 5-10 minutes and rinse with tap water (for optimal cleaning rinse before the foam has dried onto the surface).

Actual dosage will depend on site conditions (water hardness, degree of soiling, procedures).

Maximum dosage according to Nordic Swan Ecolabel criteria is 4ml/l.

The Diversey logo features the brand name in a white serif font inside a dark blue oval shape with a white outline. To the right of the text is a stylized white leaf icon. A small 'TM' trademark symbol is positioned at the top right of the oval.
