## EcoMask™ anaesthetic masks

### The greener, safer anaesthetic face mask

EcoMask is a range of a phthalate-free non-PVC single-use anatomical anaesthetic face masks which are manufactured from polypropylene and thermoplastic elastomer. EcoMask is the lightweight and clearer version of the traditional, reusable rubber face mask, and is available in a range of seven sizes with distinct colour-coding for easy selection.

### The greener, safer choice

EcoMask masks are manufactured from polypropylene and thermoplastic elastomer, contain no PVC and are phthalate-free

### Non-slip rings

For a better grip and tighter seal

### Anatomical shape

For a tailored fit

### Soft seal

For a comfortable fit

22F

### Transparent shell

For excellent visibility

### Distinct colour-coding

For easy identification of size and selection
