

## Product Data Sheet

### 1. Company data

#### 1.1. Manufacturer:

Name Aesculap AG  
 Address Am Aesculap-Platz, 78532 Tuttlingen  
 Country Germany  
 Website: www.aesculap.de

#### 1.2. Distributor:

Name B. Braun medical A/S  
 Address Solbjergvej 3, 5., 2000 Frederiksberg  
 Tel. no. 3331 3141  
 Fax no. 3331 1423  
 E-mail: \_\_\_\_\_  
 Website: [www.bbraun.dk](http://www.bbraun.dk)

#### 1.3. Quality management systems:

Manufacturer: ISO 9001, ISO 13485

Distributor: None

### 2. The product

2.1 Trade name SYSTRUNK NAIL SPLITTING SCISSORS

2.2. Product range: BC521R

#### 2.3. Further information on the product

### 3. Product components

(In case of sterile products **inclusive of** single packaging/sterile barrier)

Cardboard:  no Paper:  no Glass:  no

Metal:  yes Latex:  no Cotton:  no

Other components: \_\_\_\_\_ Organic:  no

#### 3.2. Plastics:

Types of plastics: no PVC:  no

If PVC, state plasticizer: \_\_\_\_\_ % of PVC: \_\_\_\_\_

#### 3.3. Heavy metals, chlorine etc.:

Heavy metal:  no Types: \_\_\_\_\_

Chlorine bleached material:  no Recycling materials:  no

Does the product contain substances from the list of undesirable substances compiled by the Danish Environmental Prot State substances: \_\_\_\_\_

**4. Packaging components**(In case of sterile products **exclusive** of single packaging/sterile barrier)Cardboard: Paper: Glass: Metal: Latex: Cotton: Organic: Other components: plastic**4.2. Plastics:**Types of plastics: polyethylenePVC: 

If PVC, state plasticizer:

% of PVC:

**4.3. Heavy metals, chlorine, etc.:**Heavy metal: Typer: 

Chlorine bleached material:

Recycling materials: 

State substances, if any, from the list of undesirable substances compiled by the Danish Environmental Protection Agency

**5. CE-labelling****5.1. CE-label:**No: Yes: Class: I**6. Environmental information****6.1. Is there any acknowledged eco-label for the product area?**Yes: No: **6.2. Is the product eco-labelled?**No: Yes: Label: **6.3. Environmental management systems:**

(State any approved environmental management systems)

Manufacturer: DIN EN ISO 14001Distributor: **7. Durability**

Shelf life from date of manufacture / date of sterilization

**8. Storage and handling recommendations**

(State recommendations)

dry and clean place**9. Recommendations on waste handling**
